MEMORANDUM FOR: Commander in Chief, Strategic
                  Air Command

VIA: Director, Defense Intelligence Agency

1.   In accordance with our verbal agreement of last

Monday, I have assigned a working group to prepare an

up-to-date list of those areas in the USSR which are most

highly suspected to contain ICBM launching facilities, but

cannot at present be confirmed as containing such facilities.

2.   The working group, under the chairmanship of

Mr. R. J. Smith of the Office of National Estimates, in-

cludes members designated by me and by General Carroll.

3.   The group is planning to transmit the list to you

in the latter part of February.   Mr. R. J. Smith will

communicate later with General Robert Smith of your com-

mand, to arrange for joint discussion of the list.
